**Independent Auditor Report
To The Members of Tirth Plastic Limited**

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of **Tirth Plastic Limited** (“the company”), which comprise the Balance Sheet as at 31 March 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the “Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (‘ICAI’) together with the ethical requirements that are relevant to our audit of financial statements under the provisions of the Act and the rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

We would like to draw your attention to Note No-1 of the financial statements, which shows loans and advances of Rs. 30.02 Lakhs of which Rs.5 lakhs were given to M B Parikh & Co. and Rs.25.02 lakhs were given to M B Parikh Fin Stocks Ltd for which legal proceedings are pending before Honorable

Court. As informed to us, the management is confident in recovering the said amounts from the parties mentioned above. Our opinion is not modified in respect of this matter. However, we have already created provision in the books of Account for the said outstanding amount.

We would like to draw your attention to Note No-3 of the financial statements, in which an amount is recoverable from Shrimm Construction Private Limited for cancellation of agreement for purchase of property. As informed to us by the management, the said agreement stands cancelled and the seller is in the process of refunding the full amount. The total amount recoverable as on 31-03-2023 amounts to Rs.142.78 Lakhs. Our opinion is not modified in respect of this matter.

We would like to draw your attention to Note No-4 of the financial statements, in which an amount of Rs. 128.58 Lakhs is shown as Inventory which is non-movable in nature. As informed to us by the management, the inventory is having the realizable value more than its cost price.

Information Other than the Financial Statements an Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility and Sustainability Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, statement of changes in equity and cash flows of the company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the

accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
- The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to the financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting, and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future

events or conditions may cause the company to cease to continue as going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept so far as it appears from our examination of those books.
 - c) The balance sheet, the statement of profit and loss including Other Comprehensive Income, the statement of changes in equity and the statement of cash flows dealt with by this report are in agreement with the relevant books of account maintained for the purpose of

preparation of the financial statements.

- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014).
- e) On the basis of the written representations received from the directors of the Company, as on 31 March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to adequacy of the internal financial controls over the financial reporting of the company with reference to these Financial Statements and the operating effectiveness of such controls, refer to or separate Report in “**Annexure-B**” to this report. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls with reference to standalone financial statements.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the company has not paid any remuneration to the directors of the company during the year, and hence, the company has complied with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditors’ Report in accordance with Rule 11 of the Companies (Audit and Auditor’s) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. There has been no amount required to be transferred, to the Investor Education and Protection Fund by the Company
 - iv.
 - a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the

representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. The company has not declared any dividend for the financial year 2022-23.
 - vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

To the Independent Auditor's Report Of Even Date On The Financial Statements Of Tirth Plastic Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Tirth Plastic Limited** ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness

exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated

in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter. Effective April 1, 2017, the Company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101, First-time Adoption of Indian Accounting Standards, with April 1, 2016 as the transition date. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

These financial statements have been prepared on a historical cost convention and on an accrual basis, except for the following material items which have been measured at fair value as required by relevant Ind AS:

- a) Derivative financial instruments;
- b) Financial instruments classified as fair value through other comprehensive income or fair value through profit or loss; and
- c) The defined benefit asset/ (liability) is recognised as the present value of defined benefit obligation less fair value of plan assets.

15.03 Use of estimates

The preparation of financial statements in conformity with Ind AS requires management to make assumptions and estimates, which it believes are reasonable under the circumstances that affect the reported amounts of assets and liabilities on the date of financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized.

15.04 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit or (loss) for the period is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

15.05 Income taxes

Tax expenses comprises of current tax, deferred tax charge or credit, and adjustments of taxes for earlier years. In respect of amounts adjusted against securities premium / retained earnings, the corresponding tax effect is also adjusted against the securities premium / retained earnings or other reserves as the case may be as per the announcement of Institute of Chartered Accountants of India.

Provision for current tax is made as per the provisions of Income Tax Act, 1961.

Deferred tax charge or credit reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years and are measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

Deferred tax assets are recognized only to the extent there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits. Deferred tax assets are reviewed for the appropriateness of their respective carrying amounts at each balance sheet date.

15.06 Property, Plant and Equipment

- i) Property, plant & equipment are stated at cost of acquisition / construction less accumulated depreciation / amortization and accumulated impairment losses, if any. Gross carrying amount of all property, plant and equipment are measured using cost model.
- ii) Cost of property, plant & equipment includes non-refundable taxes and duties, borrowing cost directly attributable to the qualifying asset and any directly attributable costs of bringing the asset to its working condition for its intended use and the present value of the expected cost for the dismantling / decommissioning of the asset.

iii) Parts (major components) of an item of property, plant and equipment having different useful lives are accounted as separate items of property, plant and equipment.

iv) Property, plant and equipment are eliminated from financial statement either on disposal or when retired from active use. Assets held for disposal are stated at net realizable value. Losses arising in the case of retirement of property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognised in the statement of profit and loss in the year of occurrence.

v) Depreciation

a) Depreciation on property, plant & equipment is provided on a straight line method (SLM) over their useful lives which is in consonance of useful live mentioned in Schedule II to the Companies Act, 2013.

b) Depreciation methods, useful lives and residual values are reviewed at each financial year end and adjusted prospectively.

c) In the case of assets purchased, sold or discarded during the year, depreciation on such assets is calculated on pro-rata basis from the date of such addition or as the case may be, up to the date on which such asset has been sold or discarded.

15.07 Intangible assets and amortization

i) Intangible assets are recognized only if it is probable that the future economic benefits attributable to the asset will flow to the Company and the cost of asset can be measured reliably. Intangible assets are stated at cost of acquisition / development less accumulated amortization and accumulated impairment loss, if any.

ii) Cost of an intangible asset includes purchase price including non-refundable taxes and duties, borrowing cost directly attributable to the qualifying asset and any directly attributable expenditure on making the asset ready for its intended use.

15.08 Impairment of assets

A) Financial assets:

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortised cost, debt instruments at FVTOCI, lease receivables, trade receivables and other financial assets. Expected credit loss is the difference between the contractual cash flows and the cash flows that the entity expects to receive, discounted using the effective interest rate.

B) Non - Financial assets:

The Company assess long-lived assets such as property, plant and equipment and acquired intangible assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset or group of assets may not be recoverable. If any such indication exists, the Company estimates the recoverable amount of the asset or group of assets. The recoverable amount of an asset or cash generating unit is the higher of its fair value less cost of disposal (FVLCD) and its value-in-use (VIU). The VIU of long-lived assets is calculated using projected future cash flows. FVLCD of a cash generating unit is computed using turnover and earnings multiples. If the recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the consolidated statement of profit and loss. If at the reporting date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the impairment losses previously recognised are reversed such that the asset is recognised at its recoverable amount but not exceeding written down value which would have been reported if the impairment losses had not been recognised initially.

15.09 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized.

Sale of Goods

The sales are recorded when supply of goods takes place in accordance with the terms of sales and on change of title in the goods, Revenue is recognized only when it can be reliably measured, and it is reasonable to expect ultimate collection

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate.

15.10 Foreign Currency transactions

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction and difference arise on realization have been recognized as foreign exchange gains or losses as applicable.

Monetary items denominated in foreign currencies at the year-end are restated at year end rates. In case of items which are covered by forward exchange contracts. The difference between the year-end rate and rate on the date of the contract is recognized as exchange difference and realized gain or loss due to fluctuation is recognized as Forward Gain and Loss.

15.11 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset, if it is virtually certain that reimbursement will be received, and the amount of the receivable can be measured reliably.

Liabilities which are of contingent nature are not provided but are disclosed at their estimated amount in the notes forming part of the accounts. Contingent assets are neither recognized nor disclosed in the financial statements.

15.12 Investments

Investments are classified into current and long-term investments. Investments that are readily realizable and intended to be held for not more than a year from the date on which such investments are made are classified as current investments. All other investments are classified as long term investments.

Current investments are carried at lower of cost and fair value (net asset value in case of units of mutual fund) determined on an individual investment (category wise) basis.

Long term investments are carried at cost. However, provision for diminution in value of long term investments is made to recognize a decline, other than temporary, on an individual investment basis.

Long term investments which are expected to be realized within twelve months from the balance sheet date are presented under 'current investments' as 'current portion of long term investments' in accordance with the current / non-current classification of investments as per Schedule III of the Companies Act, 2013.

The cost of investments comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired in exchange, or part exchange, for another asset, the acquisition cost of the investment is determined by reference to the fair value of the asset given up or fair value of the investment acquired whichever is more clearly evident.

Investment transactions are accounted for on a trade date basis. In determining the holding cost of investments and the gain or loss on sale of investments, the 'weighted average cost' method is followed.

15.13 Event occurring after the Balance Sheet Date

No significant events which could affect the financial position as on 31st March 2022, to a material extent have been reported by the management, after the Balance Sheet date till the signing the report.

15.14 Prior period Items

Prior period expenses/income is accounted for under respective heads. Material items, if any, are disclosed separately by way of note.

15.15 Financial derivatives and Hedging Transaction

In respect of derivative contracts, premium paid and gains/losses on settlement are recognized in the Profit and Loss account except in case where they relate to the acquisition or construction of fixed assets, in which case, they are adjusted to the carrying cost of such assets.

15.16 Earnings Per Share

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period adjusted for treasury shares held. Diluted earnings per share is computed using the weighted-average number of equity and dilutive equivalent shares outstanding during the period, using the treasury stock method for options and warrants, except where the results would be anti-dilutive.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any splits and bonus shares issues including for change effected prior to the approval of the financial statements by the Board of Directors.

15.17 Segment reporting

Accounting standards interpretation (ASI) 20 dated 14-02-2004, issued by the accounting standard board of ICAI, on AS-17, Segment reporting clarifies that in case by applying the definition of "Business Segment and Geographical Segment" given in AS-17, it is concluded that there is neither more than one Business Segment nor more than one Geographical segment, Segment information as per AS-17 is not required to be disclosed.

15.18 Financial Instruments

a) Non-derivative financial instruments:

Non derivative financial instruments consist of:

- financial assets, which include cash and cash equivalents, trade receivables, unbilled revenues, finance lease receivables, employee and other advances, investments in equity and debt securities and eligible current and non-current assets. Financial assets are derecognised when substantial risks and rewards of ownership the financial asset have been transferred. In cases where substantial risks and rewards of ownership of the financial assets are neither transferred nor retained, financial assets are derecognised only when the Company has not retained control over the financial asset.
- financial liabilities, which include long and short-term loans and borrowings, bank overdrafts, trade payables, eligible current and non-current liabilities.
- Non-derivative financial instruments are recognised initially at fair value.

Subsequent to initial recognition, non-derivative financial instruments are measured as described below:

A. Cash and cash equivalents:

The Company's cash and cash equivalents consist of cash on hand and in banks and demand deposits with banks, which can be withdrawn at any time, without prior notice or penalty on the principal.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand and are considered part of the Company's cash management system. In the balance sheet, bank overdrafts are presented under borrowings within current liabilities.

B. Other financial assets:

Other financial assets are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. These are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any impairment losses. These comprise trade receivables, unbilled revenues, cash and cash equivalents and other assets.

C. Trade and other Payables:

Trade and other payables are initially recognised at fair value, and subsequently carried at amortised cost using the effective interest method. For these financial instruments, the carrying amounts approximate fair value due to the short-term maturity of these instruments.

b) De-recognition of financial instruments:

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expires or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. If the Company retains substantially all the risks and rewards of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a borrowing for the proceeds received. A financial liability (or a part of a financial liability) is derecognised from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

15.19 Equity

a) Share capital and share premium:

The authorised share capital of the Company as of March 31, 2023 is Rs.6,00,00,000 divided into 59,40,000 equity shares of Rs. 10 each, and 60,000 preference shares of Rs.10 each. Par value of the equity shares is recorded as share capital. Every holder of the equity shares, as reflected in the records of the Company as of the date of the shareholder meeting shall have one vote in respect of each share held for all matters submitted to vote in the shareholder meeting.

b) Retained earnings:

Retained earnings comprises of the Company's undistributed earnings after taxes.

c) Other comprehensive income:

Changes in the fair value of financial instruments measured at fair value through other comprehensive income and actuarial gains and losses on defined benefit plans are recognised in other comprehensive income (net of taxes), and presented within equity as other comprehensive income.

d) Share Forfeiture Reserve:

Share Forfeiture Reserve amounting to Rs.57,78,000 (March 31, 2023: Rs.57,78,000) is not freely available for distribution.
